My recommendation – since she asked me – is the accommodate Paula to help bring her up to speed, and have Karla join in as soon as she can. Karla may be much more familiar with this stuff than Paula anyway. And it seems that Paula ranks higher. I leave it for you two to make the decision.

OK, here is where we are at:

Karla has a conflict if we start our call before 4 EST, but can be on from 4-5 EST. Paula has a conflict if we run the call past 4:30 EST, but can attend if we have the call from 3:30-4:30 EST.

On my end, I can't be online past 5:30 EST – I am taking a class on Monday evenings, and so I need to scoot out the door by 5:30 PM.

Eva, Carolyn, and Wayne: how would you like to work this? Just let me know what you decide and I'll make sure the meeting invite is adjusted (if needed) appropriately.

Thanks!
